Hoi4 How To Puppet

This short tutorial explains how to annex puppets, an often overlooked element of the puppet state feature.. At one point or another, youâ€™re bound to come across puppet states in Hearts of Iron IV.. Whether youâ€™re playing Britain, with the Dominions starting out as puppets, or if youâ€™ve just conquered Germany as the Soviet Union and you decided to turn them into a friendly satellite state, they will come up in your game.
